For your reception, Woolmers Estate offers flexible options. While we don't cater for receptions ourselves, you have the freedom to choose the perfect setting for your celebration:

Off-Site Reception: Consider hosting your reception in nearby Launceston or another local venue. We can assist in organizing coaches for convenient transportation of your guests to and from Woolmers Estate.

On-Site Reception at The Eleanor Restaurant: Our on-site restaurant, The Eleanor, operated by 'Delicious, More Please', is a wonderful venue for your reception. To arrange your reception at The Eleanor, please contact:

Please be aware of our guidelines for on-site receptions, essential for preserving Woolmers Estate World Heritage Site:

Access Limitations: Guests are allowed access to the estate grounds only during the ceremony period.

No Confetti Rule: To protect our site, the use of confetti is prohibited.

No Stencils on Windows or Glass: This helps maintain the integrity of our center as a tourism centre.

Security for Large Events: For weddings with over 100 guests, we require a security guard to ensure site protection, particularly from potential issues with intoxicated guests. This is vital for our preservation efforts, and the cost will be on-charged to you.

Onsite Staff Member: Additionally, a Woolmers Estate staff member will be present for the duration of the reception. This is necessary for coordination and assistance, ensuring everything runs smoothly. The cost for this service will also be on-charged.

Our goal is to make your wedding day as beautiful and memorable as possible, while also safeguarding the heritage and beauty of Woolmers Estate
